Dhow at Sunset

We cordially invite you to join us at the Enviromena Booth, between Hall 5 & 6 at Stand #5115, at the World Future Energy Summit to celebrate the efforts of these artists in spreading awareness and generating funds to protect Abu Dhabi's Mangroves. All artwork sold donates 30% to the Green Abu Dhabi Fund to protect one mangrove from destruction through community action and collective cleanups for one year.

The World Future Energy Summit is under the patronage of His Highness Sh. Mohammed bin Zayed Al Nahyan and is hosted by MASDAR held between the 16-19th of January at the Abu Dhabi National Exhibitions Center (ADNEC). Please view directions and contact details below.

From Dubai to Abu Dhabi. Get on the Khaleej Al Arabi St (30th St.). At the 33rd Street intersection stay on the right hand lane. Take your first turn right directly after the flyover into the ADNEC center.

From Abu Dhabi to Dubai. Get on Airport Rd (2nd St.). At the intersection of Airport Rd. and 33rd Street turn right toward Khaleej Al Arabi St. When approaching the Khaleej Al Arabi flyover, stay right and exist to Abu Dhabi. Keep staying on your right and turn into the ADNEC center.

Please visit the World Future Energy Summit's website for further information: www.worldfutureenergysummit.com
